Re: Friends of Max Baucus 2002, FEC ID #C00328211

This letter is in response to the Federal Election Commission's review of the Friends of Max Baucus 2002's April Quarterly Report (1/1/02 to 3/31/02). Upon reviewing the letter sent to this committee, we have expanded on the descriptions deemed unacceptable to the FEC and submitted the pages on which they fall.

Sincerely,

Holly Giarraputo
